PROFESSIONAL EXPERIENCE

Multi-Discipline Inspector (Welding & Painting) – Desert Line Inspection Services LLC

Feb 2021 – Present · Oman

Client: OQ | Contractor: Sahara Pipeline Contracting | Project: Gas processing plant expansion

- Inspected welding and painting activities on piping, structures and equipment under one multi-discipline scope.
- Reviewed WPS, PQR and welder qualifications, and approved coating procedures and product data sheets.
- Performed visual weld inspection and coordinated RT, UT, MT and PT; reviewed NDT reports.

MDI Inspector – Gulf Quality Inspection Co.

Jan 2016 – Jan 2021 · Saudi Arabia

Client: Saudi Aramco | Contractor: Eastern Province EPC Contractor | Project: Refinery shutdown and revamp

- Performed visual weld inspection and coordinated RT, UT, MT and PT; reviewed NDT reports.
- Checked surface preparation, ambient conditions, DFT and holiday testing, and recorded daily coating logs.
- Raised NCRs, witnessed repairs and compiled final inspection dossiers for handover.

MDI Inspector – Emirates Vendor Inspection Services

Mar 2012 – Jan 2016 · UAE

Client: ADNOC | Project: Onshore facilities upgrade

- Checked surface preparation, ambient conditions, DFT and holiday testing, and recorded daily coating logs.
- Raised NCRs, witnessed repairs and compiled final inspection dossiers for handover.
